DREW’S SPEAKING TOPICS

THE POWER OF “A.N.G.E.L.”

All of us are faced with challenges in life that can bring on thoughts like “why me” or “I’m not good enough,” or worse, “I give up.” Drew packs his presentation with insight, inspiration, education, and a dash of humor to bring a memorable and unforgettable experience your audience will love! With his “Extraordinary Life” system, he shows you how to:

- Identify and eliminate the excuses that are keeping you from living an abundant life

DISCOVERING GOD’S GRACE

As you begin to discover God’s grace, Drew believes that you will learn to live the life you desire and were created to live. Audiences learn to tap into God’s grace by understanding effective ways to experience and recognize His grace at work in their own lives. Drew will lead audiences to discover the answers to these questions and more:

- “Grace is enough” is a fairly standard phrase in faith based circles, but do you often feel that God’s grace is eluding you?
- Are the daily demands of life often overwhelming, giving you the feeling that if God’s grace is enough, you don’t have it?
- Have you asked God for His grace and comfort, and yet not experienced the peace and joy you were hoping for? Just what is God’s grace?

THE ULTIMATE COLLEGE SUCCESS FORMULA

“Drew weaves his testimony into what it means to walk by faith and not by sight. It was amazing how a blind guy had to teach me how to see life. He used his acronym ANGEL to summarize what it means to live as God intended us to live. So many in our congregation were struck by how simple, yet profound his message is. If you are looking for a speaker who is grounded in scripture, and who moves beyond just today, but also into tomorrow, look no further than Drew Hunthausen.”
